

Atlanta Poultry Processing Information Sheet

- Please withdraw feed at least **18 hrs. prior to slaughter** time. For a 7am processing appointment this means **withdraw feed by 1pm** the day before. Water should still be available during the feed withdrawal period.
 - Failure to properly withdraw feed will result in a 10% harvest upcharge.
- Please have birds at the facility and **unloaded by 7am**. Late charges apply if birds are not on time (see below). Arrangement can be made to drop off your birds before 5pm the day before if necessary.
- We only accept poultry in **plastic transport crates**. If you do not have any transport crates, we have some available to rent (\$2.00 per crate) for you to load your birds into upon arrival. Please notify us at least a week in advance if you will need to do this.
- Please **mark your transport crates** with your farm's name, or other distinct marking. APP is not responsible for unmarked crates.
- Your order will be available for pickup within one week of drop-off. We will hold your product in our walk-in cooler awaiting pickup for up to 3 days after notification of order completion, without additional charge.
 - Orders are often available for pick-up sooner than one week. Please ask about timing upon drop-off. Pick up time is 9:30 am to 5:00 pm Monday thru Friday. Please call to make arrangements.
 - If you would like us to freeze your product and hold it for longer, we can accommodate this, subject to additional fees. (see below)
- Provide **clean, temperature maintained transport** for your product. Your meat will be in our company tubs, for you to transfer to your own coolers. Alternatively, we can pack your meat into waxed boxes (see box price below). If you would like us to pack them in your own containers, please provide them at drop-off. There will be flat rate of \$10.00 to assemble your boxes.
We are not liable for your transportation needs.
- Please supply your own ice or dry ice if necessary.
- Payment is **due at time of pickup**. We prefer check or cash, but we also accept credit cards. Credit card payments are subject to a 3% credit card fee.
